Class Placement Level

If you would like a free evaluation, please call for an appointment.

Classes are divided by level. Placement is based on teacher's recommendation with the sole discretion of the directors. Proper training and alignment for a dancer cannot be achieved in only one hour per week. Therefore as students advance, so will their training hours. Final placement will not be confirmed until after the first week of fall classes. Upon final placement, class leotards may be purchased in the appropriate color.
